# BRAINWASHED U.S.A. CHRISTIANS DUPED BY UNHOLIEST HOAX IN ALL HISTORY!

## "Big lie" technique pushing U.S.A. to the brink of World War III.

By BENJAMIN H. FREEDMAN

Special to Foundation for Advanced Research, Inc. New York 17, New York, U.S.A.

"Am I therefor become your enemy, because I tell you the truth?" Paul asks his audience of doubting Galatians, as he immortalizes his celebrated question in his canonized *The Epistle of Paul the Apostle to the Galatians*, in 4:16 of that classic spiritual treasure found in the *New Testament*. It is then that Paul implores his new followers to have the faith that truth is knowledge, that knowledge is a collection of facts, and that wisdom is the use of knowledge. Prompted by Paul's inspired faith in the Divine power of truth, the facts here assembled are submitted to U.S.A. Christians hoping this knowledge added to their present wisdom will insure victory for the U.S.A. in the nameless war now silently raging against an unseen enemy, the prologue of World War III, in which the U.S.A. will again sacrifice the most, as in the last three wars.

One more wrong step in the wrong direction by U.S.A. foreign policy at this time will seal the doom of the U.S.A. forevermore. One more wrong step in the wrong direction by U.S.A. foreign policy at this time will prove a step in the wrong direction that can never be retraced, come hell or high-water. The blood of this and countless unborn generations will not be able to erase from the black pages of U.S.A. history posterity's legitimate and justified verdict of U.S.A. guilt for all lives lost and destruction wrought in World War III as the sequel of the wrong step in the wrong direction by U.S.A. foreign policy. U.S.A. foreign policy will always fail if it continues faltering and fumbling.

The immensity of the death toll and the destruction of property implicit in World War III stagger the imagination at the mere thought of that catastrophic cataclysm. The human imagination is incapable of picturing the terrific loss of lives and destruction of property implicit for the U.S.A. in World War III. The U.S.A. cannot in good conscience ignore other nations elsewhere throughout the world also exposed to this very same threat. It paralyzes the power of the imagination to think of wars fought with hydrogen-bomb ballistic missiles.

In common with all mankind in this respect, the U.S.A. stands in this dark hour at the cross-roads of survival or self-destruction. Only by the grace of God the U.S.A. is most happily in a position where it can still make a choice between survival and self-destruction. The benefits of that bounteous blessing cannot be enjoyed unless the U.S.A. takes the right step in the right direction without delay. The U.S.A. otherwise may soon find itself in the position where it cannot any longer make that choice. Destiny appears to be challenging the U.S.A. to gain anew the world's confidence in international affairs, if possible.

The prevention of World War III must be regarded by everybody everywhere in the world as the most critical problem confronting them. Every sensible human being in the world must equate the prevention of World War III with self-preservation in the strictest sense of that word. In this age of intercontinental ballistic missiles with hydrogen-bombs as war-heads, the prevention of World War III is mankind's solitary security for self-preservation, "the first law of nature", with the possibility of a gory and gruesome World War III in prospect.

The U.S.A. will contribute the indispensable ingredient for the prevention of World War III only when the U.S.A. puts an end to the "big lie" technique of the unholy hoax in all the recorded history of mankind, the incubator for hatching the egg of World War III while the U.S.A. is sound asleep or still so very busy making more money and having more fun. Because today's crisis is nearing its climax, time is now more of the essence than in any crisis at any time in U.S.A. history. The fuse on the time-bomb of World War III has been ignited. It is burning much too fast for U.S.A. complacency. The time is growing very short in which to quench the burning fuse of that bomb before it explodes into World War III. The unprovoked, unforeseen and the sudden outbreak of World War III will attest the inevitability of the unpredictable. Pearl Harbor attested the inevitability of the unpredictable in 1941. Will a wrong step in the wrong direction by U.S.A. foreign policy in 1959 lead to another Pearl Harbor? *An ounce of prevention is better than a pound of cure!*

The "big lie" technique of the unholy hoax in all the recorded history of mankind brainwashed U.S.A. Christians that so-called "Jews" throughout the world today are the historic descendants of the so-called "chosen people" of the Holy Land in *Old Testament* history. The consensus of leading authorities on the subject stresses the fact that to their best knowledge so-called "Jews" throughout the world today are not the historic descendants of the so-called "Jews" of the Holy Land in *Old Testament* history. They furthermore feel that the threat of World War III hanging over the U.S.A. is the result of the "big lie" technique of the unholy hoax in all the recorded history of mankind, a deception responsible for agitation far and wide the world little suspects.

their conclusions upon increasing tensions throughout the world as a result of U.S.A. foreign policy in non-Christian areas of Africa, Asia, the Middle East and in Europe since 1945. Since 1945 the foreign policy of the U.S.A. in non-Christian countries was under the pressure of the "big-lie" technique of the unholy hoax in all the recorded history of mankind. The foreign policy of the U.S.A. did not take into consideration that the non-Christian nations have approximately 80% of the world's total population, or four out of every five persons on the face of the earth. Since 1945 U.S.A. foreign policy has never reflected the existing fact that the U.S.A. has 6% of the world's total population against 80% by non-Christian nations in Africa, Asia and Europe.

The U.S.A. Christians continue being brainwashed by U.S.A. media of mass-communications that so-called "Jews" throughout the world today are the actual historic descendants of the so-called "Jews" of the Holy Land in *Old Testament* history. The U.S.A. Christians have been brainwashed by so-called "Jews" of historic Khazar ancestry, and by their servile Christian stooges, as they have been brainwashed by them for many years with the unholy hoax in all the recorded history of mankind, betraying the confidence of Christians.

U.S.A. media of mass-communications are owned and otherwise directly or indirectly under the subsidized control of so-called "Jews" of historic Khazar ancestry, with very few exceptions. U.S.A. media of mass-communications make up the minds of the public for them on all important questions without public realization of that fact. In the U.S.A. the media of mass-communications include newspapers, television, radio, magazines, motion pictures, books, plays, and many other equally effective known media for influencing public opinion.

U.S.A. Christians little suspect they are being brainwashed twenty-four hours of every day, three-hundred and sixty-five days of every year, by the "big lie" technique of the unholy hoax in all the recorded history of mankind, over television and radio, by newspapers and magazines, by motion pictures and
